This letter of approval replaces any previous issue(s). It is valid until it is recalled or until a new list is issued, the latest, however, until a new version of the GOTS standard has entered into force. It is updated when new references are approved and reissued each year until a new GOTS version is implemented (yearly maintenance).

The issuing body can withdraw this letter of approval before it expires if the declared approval is no longer guaranteed. The company for which the inputs have been assessed remains responsible for the correctness and completeness of the provided data as well as for the continued compliance with the applicable criteria of GOTS Version 3.0/4.0. Relevant information on any of the approved inputs, of which knowledge has been obtained after this approval letter has been issued, must be forwarded to the issuing body without delay.
